Homework – How you can support

Daily Reading Time: 15 minutes (Develop prediction and analytical thinking)

· How to Make it Fun:

- Before reading, ask your child to predict what might happen next and explain why.
- After reading, discuss if the predictions were right and why.
- Talk about characters' feelings and motivations.
- Relate the story to movies, TV shows, or experiences your child knows.

Spelling and Handwriting Practice – maximum 10 minutes once per week

- Children to copy their spellings into handwriting books. Some children may be able to write the new words into sentences to show that they understand the meaning of the words.
- How to Make Spelling Fun:
- Spelling Shed. Children can practise their spellings through a range of different interactive games at home.

Times table Homework: Children will practise their tables using Times Table Rock Stars. 15 minutes a week.

Homework will be set every Friday to be handed in one week later to be checked the following Friday.

All timings are suggested guidance.

We recognise that some children find writing tricky. If your child is struggling with this homework, please do speak with the class teacher.

There may also be optional extra homework sent home to inspire or excite ahead of a new topic.
